COORDINATOR'S COMMENTS:

ROGER YARNELL

Fossil is this coming weekend, and it sounds like we'll have a good turnout from Washington County. One order of business tonight: Kiri Schnetzky had to step down as our Education Director due to work obligations. We will open the floor for nominations under New Business. I would like to have someone step up with new ideas for opportunities to get our MAP program out to the community. We've been shut out of schools with their budget cuts, but there are other avenues such as car clubs, motorist groups, and events like Papa's Toys. If you have ideas and would like to make this an active officer's position, please consider stepping up.
